chairs. This contribution has further improved the infrastructure of the department, creating a comfortable and conducive environment for learning and research.

The alumni meeting in Chemistry department on 13.03.2020 witnessed the participation of the esteemed 1978-1981 batch students. Their presence and active engagement during the event were highly appreciated.

We are delighted to announce that during the alumni meeting, the 1978-1981 batch students made a generous contribution of Rs. 10,000.00 specifically designated for the purchase of a digital weighing machine for our department. This modern equipment will significantly enhance the practical learning experiences of our current and future students, enabling them to acquire valuable skills and knowledge in their respective fields.
