### **VISION**

To provide value-based education of global standard and enable wholesome development of the students.

### **MISSION**

Our college provides knowledge to many first-generation learners from diverse backgrounds.

It strives to make students as responsible citizens of India by acquiring the best knowledge through higher education and practice-based learning skills.

To partake in the ever-evolving world of science, technology, and aesthetics, our college imparts dialogic and participatory education to the students with the help of classroom lectures and a modern curriculum.

Our college enables the students to be competitive individuals and evolves them to serve society diligently.
