6.5.1: Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

The IQAC has played a significant role in institutionalising effective quality assurance strategies and processes within the institution. The institution's quality assurance policy encompasses several vital elements contributing to its excellence.

Firstly, the institution ensures the systematic presentation of the university's approved study programs, creating a structured and cohesive academic environment.

Secondly, the institution actively incorporates a feedback system to gather valuable student input regarding teaching quality and syllabus coverage.

The IQAC, through its diverse range of activities, actively promotes the cultivation of values and positive attitudes among students, thus shaping the next generation.

Organising webinars, seminars, and workshops regularly by the IQAC inspires and motivates students to deepen their subject knowledge and refine their research skills.

Furthermore, the IQAC supports the college administration in expanding and improving campus facilities and guiding departments to organise parent-teacher meetings. The cell facilitates constructive discussions on students' academic performance, fostering collaboration and engagement between parents, teachers, and students.

Overall, the institution's IQAC-driven initiatives and policies reflect a solid commitment to ensuring and enhancing the quality of education. The cell's concerted efforts contribute to a dynamic and enriching learning environment that nurtures the holistic growth of students.

As the IQAC's chairperson, the principal is responsible for seeing that its decisions are carried out in the classroom and beyond. The principal frequently calls meetings of the department heads to assess the methods of instruction used by the faculty. Based on the feedback from the students, the principal guides the departments during the discussions for better curriculum delivery procedures.

IQAC conducts internal and external academic and administrative audits during every academic year. The academic audit is carried out internally by the senior staff members headed by the principal.

The respective head of the departments allocates the subjects based on the teacher's expertise as per their workload. The academic audits have helped the institution to take stock of the situation and introduce new courses, increase the strength of specific sections, appoint additional staff and strengthen the teaching-learning process.

The IQAC organises webinars, seminars and workshops to enhance the quality and to prepare the AQAR as the NAAC guidelines.

Webinar on "Cyber Crimes and Human Rights" (10.12.2020)

Internal Quality Assurance Cell & Red Ribbon Club of Arignar Anna Government Arts College, Namakkal jointly organized A Webinar on "Cyber Crimes and Human Rights" on 10<sup>th</sup> December, 2020.

**Dr. M. Chandrasekaran,** Assistant Professor of Botany & RRC Programme Officer, Arignar Anna Government Arts College, Namakkal and organizing secretary of the webinar to the welcome address and to introduced the Resource Person.

The programme was presided over by **Dr. P. Murugan**, Principal, Arignar Anna Government Arts College, Namakkal.

**Dr. P. Sakthivel,** Professor of Political Science and Public Administration, Deputy Controller of Examinations, Annamalai University delivered Special Lecture on "Cyber Crimes and Human Rights". He emphasised the issues with modern internet usage, particularly the harm that cybercrime does to women's and children's human rights. He also discussed the various forms of cybercrime, the regulations in place to prevent it, such as the Information Technology Act of 2008. He also went into great depth about how mobile apps, particularly the "Kavalan App," may help women, kids, and seniors preserve their rights. He also shared advice on how to avoid becoming a victim of online fraud.

Seventy Nine participants from different colleges were benefited by the special lectures.

**Dr. T. Marichamy,** Assistant Professor of Economics, Arignar Anna Government Arts College, Namakkal delivered the vote of thanks at the end.
